**Gardenscapes Sarawak** is taking place in Kuching from 25<sup>th</sup> - 27<sup>th</sup> March 2022. The objective of this inaugural event is to promote and encourage gardening and farming as a hobby or perhaps even a business enterprise.

Whether you have your own plot of land to cultivate or would like to pursue an alternative approach to gardening such as aquaponics or indoor gardens, **Gardenscapes Sarawak** is the perfect 3-day Expo for all your green thumb needs.

**learn.**

New ideas from our knowledge sharing sessions & stage demonstrations on horticulture, gardening, landscaping & aquaculture.

**connect.**

Seek professionals who can help you with a specific job or achieve your gardening or landscaping dreams.

**relax.**

Unwind and take photos with friends & family at our feature garden display of beautiful & rare plants.

**shop.**

Get everything you need for your garden from seeds to tools at our large collection of trade booths.
